Great, we have plenty of samples from the Falmouth/Barnstable area.

Becky and Sonja are from that area, so no problem with the Cape. Any area is ok but Essex and Suffolk.

Hi Jim,

We are running out of New Bedford/Fall River samples for you....are there any other areas that you prefer? I know you don't want any Boston for good reason. How about the Salem/Beverly area or the Cape? I know, neither option is great for you. Let me know.

Thanks,

Betsy
